### **Declaration of GMP Manufacturing and Phytosanitary Shipment - MannaPack® Products**

Feed My Starving Children (FMSC) declares our food product is manufactured, handled and stored in accordance with current Good Manufacturing Practices (cGMPs) and meets phytosanitary requirements for ingredients, food handling and storage.

MannaPack® products are manufactured in compliance with 21 CFR §117, Subpart B as required by the Food Safety Modernization Act (2018), this act addresses practices for sanitary food operations which include continuous monitoring for pest control and other quality conditions that could risk the safety and integrity of food product at time of import.

FMSC declares the food product fit for human consumption provided the direct food contact packaging is fully sealed and show no evidence of tampering, infestation or physical damage at time of receipt.

Please retain this letter for your records to show guarantee of phytosanitary shipment and cGMP compliant food manufacturing to any product inspector or regulator who is interested in the safety and quality of MannaPack® products. Should you have any questions or concerns please contact me, Andra Thompson, Director of Safety & Compliance at [athompson@fmsc.org](mailto:athompson@fmsc.org).

Sincerely,

Andra M. Thompson  
Director of Safety & Compliance  
Feed My Starving Children
